

Weekly Overview: 23 - 27 November 2014

LITERACY	<p>There will be no spelling quiz this week! As you know, our National Day Celebration will happen on Thursday, November 27th - and we have a lot to do before hand!</p> <p>This week our main focus will be taking the Explanatory Writing that we started previously with a Pre-Writing Organizer, through a 1st draft, Peer and Self-Editing, to a Final Copy. We are really asking a lot of students to put so much effort into this writing project, so there will be several marks added to our Gradebooks to reflect their efforts and skills throughout.</p>
MATH	<p>The Unit 4 Math Test is on Monday. On Sunday we will go through the Review Packet and answer any questions students have, and also complete the Reference Sheet that students can use during the test. Remember: it is the students' responsibility to make sure they have completed that Reference Sheet with tips and clues to help themselves!</p> <p>There will be no Basic Facts Quiz this week!</p>
UNIT OF INQUIRY	<p>This is the final week of our Sharing the Planet unit! It's hard to believe how fast time is passing, except when it comes to seeing weathering, erosion and deposition in action, of course! 😊 This week we will do a final group project where groups will try to come up with ways to stop or slow the process of erosion. What can you bring from home that might help? How have people in other parts of the world created solutions for erosion?</p>
التربية الإسلامية ISLAMIC	<p>السادة أولياء أمور الطلاب المحترمين ، السلام عليكم ورحمة الله وبركاته:</p> <p>في إطار الاس تعداد للاحتفال باليوم الوطني لدولة الامارات الحبيبة ونظراً لنشغال المدرسة</p>
